Concerned about a child?

It is very important to take action straight away if you think a child you know is being harmed or is at risk of harm. The longer abuse goes on, the longer it will take for a child to recover. If you have any doubts about sharing or reporting your concerns, just think for a moment what life is like for the child you are worried about.

You could:

- Talk to the designated safeguarding leads at the school
- Phone the Norfolk Children's Services Department or contact the police (contact details on the back of this leaflet).

It is essential that all visitors to the school register at the main reception area. You will be provided with an ID badge– this must be worn at all times whilst on site. Professionals will be asked to provide ID on arrival.

“The schools culture is focused on making St Nicholas Priory Primary School a safe place to be. Pupils say that they feel safe and are listened to. They know who they can talk to if they have a problem.”

If you have concerns regarding the behaviour of any adult at school, this should be reported directly to the Head Teacher. If the concern is about the Head Teacher, please contact the Chair of Governors (contact details available on request). You can also contact the Designated Officer employed by the local authority directly on 01603 223473

At St Nicholas Priory we treat all our children with respect , appreciate individuality and celebrate their successes. We recognise that pupils need an environment where they feel secure and encouraged to talk and be listened to. We take the attitude ‘It could happen here.’
