

St Nicholas Priory VA CE Primary School

Collective Worship Policy 2023-2024

'I did not come to be served but to serve.' Matthew 20.28

St Nicholas Priory CE VA Primary School defines collective worship as a time to remember who we are both individually and together as a community. As a wholly Christian community, we remember that we are each precious and created by a loving God who cares about what happens to us and how we feel, and we need to learn and remember that for both ourselves and for one another, so that we grow in personal confidence and also in kindness and respect towards everyone else. We each have the likeness of God in us. "I pray that you, being rooted and established in love, may have power...to grasp how wide and long and high and deep is the love of Christ..." (Ephesians 3:17-18).

Aims for Collective Worship

We aim to achieve high quality education supported by strong Christian principles, within a wholly Christian community.

We aim:

- ❖ To engage in an act of community.
- ❖ To express praise and thanksgiving to God.
- ❖ To be still and reflect.
- ❖ To explore the big questions of life and respond to national events.
- ❖ To foster respect and deepen spiritual awareness.
- ❖ To reflect on the character of God and on the teachings of Christ.
- ❖ To affirm Christian values and attitudes.
- ❖ To share each other's joys and challenges.
- ❖ To celebrate special times in the Christian calendar.
- ❖ To contribute to our children's spiritual development
- ❖ To introduce our children to the wholly Christian worship of the Church of England
- ❖ To gain in knowledge and understandings of the Christian faith

- ❖ To explore and share the beliefs of others
- ❖ To contribute to our children's moral development
- ❖ To contribute to the holistic development of our children
- ❖ To celebrate the life of the school and the children in the presence of God
- ❖ To look out to the wider world (*see the expanded aims appended below**)

Expectations of our children

Collective worship is a time for a fresh start. During this time we admit we all make mistakes and need to receive God's forgiveness and to forgive others and to persevere in trying to make better, kinder and braver choices. In our time of reflection and prayer, Christian worship is also a time to think about some of the difficult things in life and ask for God's help. We can think about things that worry us or are hard for people close to us or problems in the wider world and to pray for God's help- help to see things in a new way, help to keep going or to have new hope or even for help to change the world for the better.

"A wholly Christian understanding of reconciliation first of all hopes in God, and in Jesus as embodying peace – with God, within ourselves, with others, and with creation. Our first response is to trust that this peace has the last word – this is the good news. So we can face and repent of our own part in alienation, conflict and bad relationships. Then we can wholeheartedly be reconcilers."

Collective worship essentials

All collective worship within St Nicholas Priory follows a pattern to ensure consistency;

- All children and adults within the class participate
- We say 'may the Lord be with you,' 'and also with you'
- We say the Lord's Prayer
- We say ' Go in peace to love and serve the Lord' , 'In the name of God, Amen'

Organisation and delivery

GATHERING:

We gather our thoughts. God is everywhere, but He promises to help us when we come to Him in worship. We begin by lighting a candle to acknowledge and welcome God's presence as we spend time in worship. We begin with the opening greeting '**The Lord be with you**' to which we reply '**And also with you**'.

INVITING:

We reflect upon what is shared with us in collective worship. This may be an anecdote to help us to think about a concept, challenge or difficulty which everyone struggles with. A relevant story from the Bible which enables us to reflect on what it may say about human relationships and our relationship with God may be shared or there may be an object, image or article to look at which allows us to reflect together about a shared topic for prayer or a concept for understanding.

RESPONDING:

After the focus for reflection, the congregation process what they have received either responding out loud through prayer or in silence through contemplation. If someone from the congregation wishes to share, as educators we know how to accept and affirm offered answers whilst encouraging further thought and it is crucial for spiritual wellbeing that worship time is a safe non-judgemental place. We will listen carefully and receive with gratitude and humility whatever we are offered because in worship we are facilitators and participants as much as leaders and teachers.

“Trust in the Lord with all of your heart and lean not on your own understanding” (Proverbs 3:5).

There will always be an opportunity to respond with shared prayers or a guided prayer and often prayer time will be finished by saying together the prayer that Jesus himself taught his disciples, The Lord’s Prayer.

SENDING:

After worship we ALL need to go out and try and practise what we have learnt and we will be sent out as follows. The worship leader will say **‘Go in peace and love to serve God’** and the gathered will respond with **‘In the name of Christ, Amen’**.

A range of activities is encouraged within the gathering, sharing, responding and sending model. It is likely that each act of wholly Christian collective worship will include one or more of the following:

- ❖ Introductory music to create a mood and focus attention
- ❖ The singing of hymns and songs
- ❖ The reading of a short passage from the Bible
- ❖ Hearing a talk or a story
- ❖ Opportunities for reflective silence
- ❖ Collectively saying The Lord’s Prayer
- ❖ Audiovisual material
- ❖ Drama and role-play
- ❖ Active pupil involvement
- ❖ Hosted by a member of the clergy from the local Minster

How we carry out Collective Worship

Our daily Collective Worship is carried out in a variety of ways.

KS1 and KS2 each have a weekly Key Stage Collective Worship in the school hall.

KS2 has a weekly singing Collective Worship as a Key Stage in the school hall.

KS1 and KS2 have daily Collective Worship in classes or year groups the remaining days of the week using the weekly Minster record, a virtual Collective Worship that is available on Youtube and through our school website, or exploring the biblical stories on the Collective Worship plan.

Records

We use a yearly plan which focuses on a different Christian value each half term (Aspiration, Hope, Service, Forgiveness, Trust and Love) and are closely linked with the Christian church calendar. Clergy from the Minster, senior management and the standards leads all follow the same structure during collective worship using the St Nicholas Priory C.E.V.A. Primary School Guidance for Collective Worship and the gathering, sharing, responding and sending model. The plans also include a half termly UNICEF assembly and important dates of interest.

Statutory Requirements

Collective worship at St Nicholas Priory CE VA Primary School complies with the legal requirements as set out in the 1988 Education Reform Act. The law states the 'Collective worship must be wholly or mainly of a broadly Christian Character which means that it reflects the broad traditions of Christian belief'.

At St Nicholas Priory CE VA Primary School we recognise that collective worship needs to be flexible enough to encompass the age, aptitude and background of all the children in the school. Central to our understanding of worship in schools is the acceptance that our children should learn of the need for a spiritual dimension to life – the recognition that without it a pupil's total education will be noticeably impoverished.

Whilst recognising the fact that we live in a multi-faith society we believe that it is our responsibility to reflect Christian beliefs and accept that the school can, and should, be openly witness to its Christian nature.

All collective worship will be in accordance with the principles and beliefs of the Church of England.

Withdrawal rights

Parents have a legal right to withdraw their children from attendance at collective worship.

Should such a request be made the Head teacher will invite the parent(s) to discuss the matter in order that necessary arrangements can be made, and to ensure that all the practical implications of withdrawal are appreciated.

Relationship with the church community

As a church aided school we seek to maintain good relationships with both the worshipping community at St Nicholas Minster and within school

Expanded Aims from 1 above
